Santiago Moreno Estrada

CDMX, México • [linkedin](#) • +52 55 8507 3745 • morenoestradasantiago@gmail.com

Passionate Full Stack developer, specialist in web and mobile solutions, with practical experience in the design and development of complete web applications. I combine my skills in frontend, backend, and artificial intelligence with the aim of creating innovative, intelligent, and impactful solutions.

PROFESSIONAL EXPERIENCE

Kiüve Agency   **CDMX, Remote.**
Full Stack Developer   *March 2025 – Present*

- I developed +65 web applications primarily using Next.js and Typescript, prioritizing performance, load times, accessibility, and SEO in search engines.
- I integrated REST APIs, Server Actions, Supabase, Stripe, AI APIs, modernizing the capabilities of the applications.
- I built a library of +100 reusable, responsive, and animated components in React.js, TailwindCSS, and Framer Motion, reducing interface development time by 45%.
- I participated in the planning and continuous improvement of products in collaboration with multidisciplinary teams.

Freelancer   **CDMX, México**
Full Stack Developer   *Sept 2024 – February 2025*

- I developed custom web applications using frameworks like Next.js and Gatsby.js.
- I implemented custom solutions, SEO optimization, UI/UX design, and custom functionalities.
- I managed the projects, from planning, prototyping, development to final delivery.
